- ❖ **Seville Hill**, excite and tantalize your palate with a tasting from a great selection of wines they have to offer. Their wines are carefully crafted so that the true fruit characters of the Yarra Valley cool climate grown grapes are retained in the wines, to give you a fruit driven wine with complex characters that will please and excite the palate of anyone that loves wine.

Signature Wine: Reserve Chardonnay and Reserve Shiraz. A specialty is Tempranillo a Spanish Grape variety and Vintage Port.

- ❖ Take in the beautiful landscape of **Killara Park Estate's** Winery Café, set amongst 80 Acres of lush vines with panoramic views of the surrounding mountain range including Mt Donna Buang. - ❖ We go a little higher up into the valley to Yarra Junction to a not so little Vineyard known as **Bulong Estate**. 115 acres planted in 1994, "bulong" derived from the aboriginal word meaning 'a place where water was once drunk through bark' - it is now a place where wine is drunk from a glass!
